

MEMORANDUM

TO: D.Wayne Hedberg, DOGM  
Division of Oil Gas & Mining  
DWQ Ref Ltr 38

FROM: Dave Rupp, DWQ

DATE: June 3, 1998

Subject: MCW Enterprises  
Crescent Creek/May Day Mill Site Project  
Garfield County, Utah  
S/017/043

We have reviewed a copy of the NOI from MCW Enterprises regarding the subject. Diversion of storm water flows around waste rock and ore should be done. It does not appear that the operation, as described, will have any water quality impacts. As always, we appreciate receiving updates on project amendments.
